February, March & April 2013

Upcoming Programs

Wednesday, February 6, 2013

This evening, we are pleased to welcome **Mr. Greg Roberts**, Vice President of **Historic New Richmond**. Mr. Roberts brings along with him stories involving this small but brave river town. In spite of many difficulties in the past - floods primarily - New Richmond continues to survive and stand tall among her sister villages along the mighty Ohio River. Unforgettable views from her banks and history galore give this lovely place in Clermont County an interesting past - and future - for generations to come. Do be here to meet Greg and hear about the New Richmond we think we know and hear stories that may be new to all of us!

Wednesday, March 6, 2013

45th Anniversary Annual Dinner Meeting Our yearly banquet meeting includes the election and installation of ATHS Officers and Trustees. Then, following a yummy dessert, **Mr. Jamey Vogel**, son of ATHS members **Sherry and Russ Vogel**, will be with us to talk about one of his favorite subjects - Manatees! As **Team Leader of Manatee Springs**, a popular site located in our nationally known **Cincinnati Zoo**, Jamey has also earned the title of the Zoo's Diving Safety Officer. Please do plan to be a part of this important and fun evening which will teach us a great deal more about **Manatees** - those fascinating creatures of the sea!

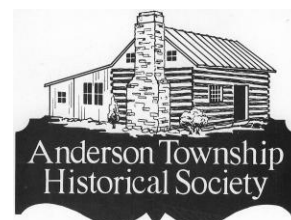

The **Annual Dinner** will be at the Receptions Banquet Center at 4459 Eastgate Blvd. The doors open at 6:00 p.m. and dinner is served at 6:30 p.m. ATHS booklets will be for sale, and there will be photos and other items on display. The cost of \$15 per person includes a buffet dinner of salad, choice of meat, potatoes, vegetables, dessert and beverage. Bring your family and friends. If you need more information, call Bev Robinson (231-3789). Please send the enclosed reservation form and your check payable to ATHS to William Dreyer, 8564 Eagleswalk Lane, Cincinnati, OH 45255 by the reservation cut-off **February 26, 2013**.

Wednesday, April 3, 2013

A rare, but most welcome, return engagement is on for tonight! Our February guest speaker, **Greg Roberts**, Vice President of **Historic New Richmond**, will be back to talk about one of Clermont County's super heroes - **General Ulysses S. Grant**. "Sam," as he was called by friends, was born on April 27, 1822 at Point Pleasant, Ohio. A West Point graduate, Grant was appointed **Commander in Chief of the Union Army** by President Abraham Lincoln at the height of the Civil War. Then in 1868 this man of humble beginnings from Clermont County was elected President of the United States. As it has been said, "the rest of the story" will be told by our speaker, **Greg Roberts**. A flag waving evening for certain!

Wednesday, May 1, 2013

Our good friend and Vice President of ATHS, **Mr. Don Perry** will be updating us about the "**History to Schools**" project involving second graders from the six Forest Hills elementary schools, who will be touring Anderson Center April 26 through May 3. Don, along with other ATHS volunteers, will be hosting students at the History Room and Lower Atrium for tours of displays of photographs and other artifacts of historical interest. The Township staff, Trustees, and members of the Fire and Rescue Team also will lead the students on tours of the Board Room, theater, emergency room and ponds. This evening program will be an opportunity for us to hear how this ambitious venture is going and also a good chance for all of us to re-visit our history and learn from the responses of the kids!

ATHS meetings are held on the first Wednesday of the month, 7:30 p.m. at Anderson Center, 7850 Five Mile Road, Lower Atrium, near the History Room, unless otherwise noted. Meetings are free and the public is invited.

Refreshments and fellowship follow the programs. We look forward to seeing YOU at these interesting and informative meetings.

PLAN AHEAD -- INVITE YOUR FRIENDS

Wednesday, June 5, 2013

This fine night, a pretty Colleen will be here to speak about her days as vocalist at **WLW-TV (Channel 5)** back in the day of early Cincinnati programming. I am, of course, referring to **Colleen Sharp Murray**, a dear friend and extended family member, who said she would look forward to meeting all of you and having fun talking and sharing the "old days" with ATHS. Do come on down to hear Colleen reminisce about what happened on **Paul Dixon's** show when the "little red light" went off! We will also be hearing lively remembrances of the wonderful woman who founded the Ruth Lyons Christmas Fund for hospitalized children - the lady herself, **Ruth Lyons**. Colleen's friend, **Bob Braun**, will also be remembered as the poor guy who had to follow in Ruth's footsteps after her retirement. Happily for him and for us, Bob succeeded in a big way and became a popular local Cincinnati celeb for many years. Surely, whatever you do, don't miss out on this one!

The *Surveyor* is the quarterly newsletter of the Anderson Township Historical Society, mailed to all members. If you have a change in address, phone number or e-mail address, please contact ATHS at P.O. Box 30174, Cincinnati, OH 45230 or send an e-mail to ATHS at athslighthouse@yahoo.com.

Articles, comments, photos, ideas and suggestions for the *Surveyor* are always welcome. E-mail them to picapica@msn.com or give me a call at 231-3390.

President's Message - Another New Year

Wow! Time really does fly. We are starting 2013 with many past and future projects on the horizon, including our annual dinner meeting in March and election of officers. It seems like I just took office. Of course, I love the Society and have been a devoted member since 1975 because I really believe that what we have preserved for the future is very important. If wise people had not cared, we would not have our historic jewel of a cabin and such interesting surrounding buildings and acreage to preserve, protect and share with the public. Many of the founding members have left us with the blessed burden of carrying on where they left off. Let us never let them down and keep history alive.

Fall events have wound down, the house is closed. Interior repairs to the fireplace have been made, the chimney work will be completed when the weather breaks. Thanks to **Bev and Al Robinson** for getting the bids and overseeing the work.

Anderson Adopt a Roadway - Our third cleanup day was made easier by leafless shrubbery. We could easily see and reach the trash that we had missed over the summer. We finished fairly quickly, posed for a picture and departed. **Kenny Burck, Bill Dreyer, Ann King, Brenda Greer, Kathy Hoelscher, Linda Scheper** and **Sue Wettstein** participated. The Spring Cleanup will begin Saturday, April 20 at 9 a.m. Please plan to help clean up the roadway or the Log House grounds to prepare for tours in starting in May.

Township plans for Anderson Trail sidewalks on Clough Pike are moving forward with bids going out this summer and work starting on the section between Hunley and Bartels roads late in 2013 and finishing in 2014. A few surveyor stakes popped up last week. This project will include a new, wider culvert under the road at our creek. **Bill Dreyer** and **Don Perry** are negotiating various details impacting ATHS. The Township will move and restore our signs, fence, flag pole, etc. upon completion of the work. The construction will, at times, block access to our property and shut down Clough as well. Let us be as patient as we can be during construction.

Don Perry made two visits to the Hamilton County Courthouse with regard to the break-in at the Log House in September. The primary accused pled guilty and will be charged with restitution costs and sentencing (if any) later this year. Another perpetrator has not had a court date.

- Linda (Lyn) Scheper, President

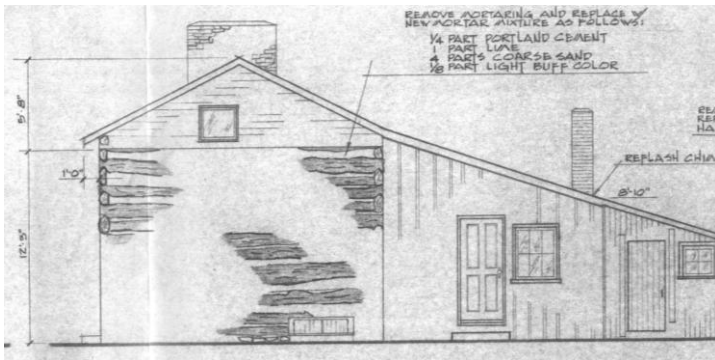

Election of Officers and Trustees

The Nominating Committee (William Dreyer, Linda Magee, Lyn Scheper and Diane Schneider) will present the following slate of Officers and Trustees at the March 6, 2013 Annual Dinner Meeting. Nominations may also be made from the floor. The Slate is as follows:

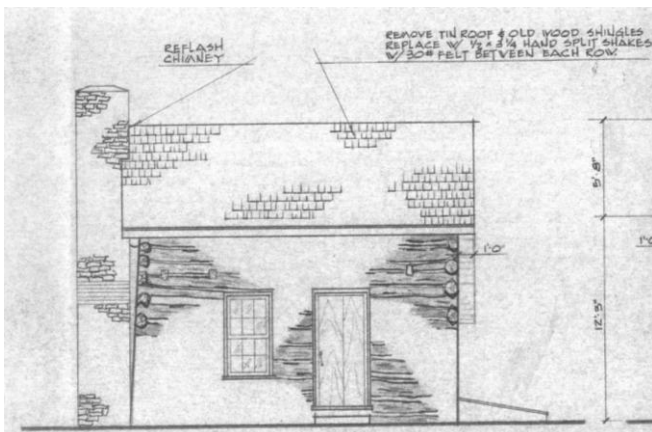

President	Lyn Scheper
Vice President	Don Perry
Treasurer	Sue Wettstein
Secretary	Linda Magee
Trustee (3 yr term)	Lucy S. Moore
Trustee (3 yr term)	Lou Trent

Trustees who continue to complete their elected terms are Al Robinson (elected 2011), Connie Whitaker (elected 2012 for 2-year term to complete the term of Trustee Don Perry who was elected VP in 2012), Sonia Shively (elected 2012) and Ann King Chapman (elected 2012).

Log House -- A Closer Look

Details of the architectural drawings of the Log House prepared by Richard Shade, August 27, 1976, drawn at a scale of $\frac{1}{4}$ inch = 1 foot. The Log House reaches a height of 17 feet 11 inches at roof top and has exterior dimensions of 20 feet 2 inches in width and 40 feet 4 inches in overall length. The interior of the oldest section (front room) is 18 feet 8 inches side to side and 16 feet 2 inches front to back.

Log House Open to 469 Guests in 2012

Cub Scout troops, third graders with their teachers and parents, Starfire, Leuser family reunion guests, diners enjoying dinner and many visitors to the Sunday Open Houses toured the Log House in 2012. Many left with a greater appreciation of the history of our property, thanks to the volunteers that guide these tours.

In preparation for another busy season, docents are needed. A docent notebook is available including information helpful to tour guides. Please consider becoming a volunteer. Call Diane Schneider 232-6552 for more information.

- Diane Schneider, Projects Chair

2013 Log House Open Houses Dates

As you fill out your 2013 calendars, remember that the 2013 season of Log House Open Houses begins on Sunday afternoon, June 2, and continues on the first and third Sundays of each month through October 20. The dates are June 2 and 16, July 7 and 21, August 4 and 18, September 1 and 15, and October 6 and 20.

Adopt a Roadway 2013

Anderson Township has started a program modeled after the "Adopt a Highway" programs that have been successful in keeping roads and other areas litter free. This is the second year for the Society to participate in the program. We are responsible for keeping clean both sides of Bartels Road from Newtown Road to Clough Pike and Clough in front of the Log House to Royalgreen.

The Township supplies gloves, bags, vests and T-shirts, and pickup tools for our use. The bags of trash are left at the road side and the Township will pick them up. The Township provides liability release forms for each participant. Recognition appears on the Anderson Township website and in publications of the Township.

Please plan to support this worthwhile project and put on your calendar the following tentative dates for 2013: **Great American Cleanup Day on Saturday April 20, 2013**; Saturday July 20, 2013, Saturday October 19, 2013, and Saturday December 14, 2013. We will be out cleaning our adopted roads. Hope to see a lot of our members out those days, for the more we have working the easier it will be for all.

- William Dreyer

Plant Sale Saturday, May 11, 2013

Jan Hawkins has once again volunteered to Chair the May Plant Sale. This popular event provides a major contribution to the operating costs of the Society and the maintenance of the Log House. Congratulations and many thanks to Jan and the Plant Sale Team for this event that grows each year. This spring the sale will be on Saturday, May 11, the day before Mother's Day. Most of the plants are "home dug."

*Gardener Bunny at the Plant Sale, May 2012.

Members can help by providing donations of plants to sell, including perennials, annuals, tomato plants, and vegetables. To make donations, please call Jan at 231-7078. If you are unable to dig up the plants yourself, call Jan and she will attempt to arrange to dig them for you.

Also needed are **larger-sized pots** -- bigger than 6" in diameter. If you have left-over Christmas or Valentine's Day plants that you want to discard, please pass on the **large pots**. If there is soil in the pot, leave it -- the soil can be reused. Smaller pots are not needed since there are many on hand.

Also needed is some **Miracle Grow potting soil**; if you have bags or some left-overs on hand, please donate it. You can help to make the plant sale a success. Donate plants and buy some. Spread the word and tell your friends.

***** HELP WANTED *****

An important future AHS position needs to be filled! Please consider becoming **2013 Country Store Chairperson**. Not much sweat, tears and/or blood loss guaranteed. Wouldn't you love and enjoy spearheading this important event, which brings in beaucoup \$\$\$ to help us maintain our properties? Aw, come on, folks - **we need YOU!** September is closer than you think! The dates for the upcoming Country Store are September 28 and 29, same place, same time, same station! Please call Connie Whitaker (474-1637) or Lyn Scheper (232-1559).

Newly Accessioned Item -- WHAT IS IT?

Here is a recent donation to the AHS collections. Can you figure out what it is and how it was used?

“Strand Ski-Sled” in the Log House

The Strand Ski-Sled, on display at the Log House. Photo by Patti Bukosky.

The interesting **Strand Ski-Sled** hangs in the middle room of the Log House next to the china cabinet. During the summer Open Houses perhaps it's hard to remember winter sleds and snowy slopes. But this fine sled reminds us of a time when the many hills of Anderson Township provided days of winter fun. This sled resembles ones seen in newspaper advertisements in the early 1940s but we don't know the origin or date on this sled. It has long wooden runners that resemble skis.

Patti Bukosky and Bill Dreyer are working on the massive project of photographing the ATHS collections and matching objects to the accession

records kept over the last four decades. If you know anything about this particular sled or think it is similar to ones you may remember, please let us know via a phone message to ATHS at 231-2114, e-mail to athslighthouse@yahoo.com, or drop a note to ATHS.

Aluminum Can Recycling

We continue to collect Aluminum cans. In October we recycled some of the collected cans and received \$205 for them. We still have some cans to recycle but can always use more. Bring your cans to the meetings or leave them by the Log House Outhouse or call Bill Dreyer (474-0568) and arrange for him to pick them up from you.

Toys on Display at Hornschemeier House

The upstairs bedroom in the **Hornschemeier house** has a new shelf unit that was made by ATHS member **T.J. Fariello**. This shelf will be used to display toys in the play area of children's room. The shelf looks very nice and will be able to showcase some of the toys in our 1950s-period house museum.

If anyone has and would like to donate toys, dolls, small table or chairs we have a great place for them! Contact Ann King (231-9557). "Thank you, T.J., for sharing your talents. The shelf adds so much to the children's play area at the Hornschemeier house."

ATHS E-mail Notices and Updates

We send e-mail reminders to members for all the monthly meetings. If you would like to receive such reminders, send an e-mail to athslighthouse@yahoo.com and we will add your e-mail address to the ATHS list. If you wish to be removed from this list, please let us know.

Pierce's Memorandum and Account Book

Among the fascinating items collected by Stephen Smalley from Anderson Township families is this 140-year-old account book. The pocket-sized soft-cover book was a promotional item produced by R. V. Pierce, M.D. of Buffalo, NY. Dr. Pierce sold a wide variety of family medicines that were advertised throughout the booklet. The right-hand side pages provided space for the user to track their expenses. In the front are calendar pages for 1873 and 1874. The complete title explains that book is "A Present from the People's Medical Servant R. V. Pierce, M.D." and is "designed for Farmers, Mechanics and ALL PEOPLE who appreciate the value of keeping a memorandum of business transactions, daily event and items of interest or importance, for future reference."

The book is completely filled with the careful notes of expenses for the year 1877 and the first months of 1878. There is no indication of who filled out the book but we can read the details of their life from the money they spent. The very first entry is generous "Jan 1, 1877 -- candy for children \$ 0.08." Most of the items are food items, for example, 1 sack of salt \$0.10; 1 lb crackers \$0.10; ¼ lb tea \$0.25; 1 lb butter \$0.30; 4 lbs of beef \$0.40; 2 lbs of lard \$0.30; 4 lbs of coffee \$1.00; and 25 eggs \$0.25. Also mentioned are "Jan. 8, 2 postal cards \$0.02; May 4, 2 pr socks \$0.40; Oct. 12, coat & pants, \$9.50." The most costly items recorded for the year were "Jan 6, 2 kinds of coal, \$30.29" and "Oct. 12, insurance paid \$50." Overall, expenses of \$316.62 were tallied for the year 1877.

This Cut illustrates the manner of Using
DR. PIERCE'S
Fountain Nasal Injector,
 OR
DOUCHE

Especially designed for the Perfect Application of
DR. SAGE'S CATARRH REMEDY.

This is the only form of instrument yet invented with which fluid Medicine can be carried *high up* and *perfectly* applied to all parts of the affected nasal passages, and the chambers communicating therewith, in which sores and ulcers frequently exist, and from which the discharge generally proceeds. **The Fluid is carried by its own weight, (no snuffing or pumping being required),** up one nostril in a full gently flowing stream to the highest portion of the nasal passages, passes into and thoroughly cleanses all the tubes and chambers connected therewith, and **flows out of the opposite nostril.** Its use is pleasant and so simple that a child can understand it. *Full directions for use accompany each Instrument.* Price 60 cents. Sold by all druggists, or sent by mail on receipt of price.
 Manufactured by **R. V. PIERCE, M. D.,**
 BUFFALO, N. Y.

Inside back page of Pierce's Memorandum and Account Book (1873). This device for irrigating the nasal passages seems very much like the notion of the Neti Pot that is so popular now days.

Dr. Pierce's "Golden Medical Discovery" was a cure for the unpleasant but common condition called Catarrh. Dr. Pierce offered a standing reward of \$500 for a case of Catarrh which he could not cure with Dr. Sage's Catarrh Remedy applied with Dr. Pierce's Nasal Douche. The two medicines with the instrument cost \$2.00. Catarrh is a term once used to describe the inflammation of the mucous membranes associated with the common cold, coughs or infections of the adenoids, middle ear or tonsils. It results in mucus discharges, phlegm and blockages -- all uncomfortable and often chronic. We still don't have a cure for common cold but antibiotics help us recover from bacterial infections.

DR. PIERCE'S
FAMILY MEDICINES.

If you would patronize Medicines, scientifically prepared by a skilled physician, and by a process, the discovery of his own, wherein not a drop of rum, whisky, beer or any other alcoholic or fermenting liquor enters--see **Dr. Pierce's Family Medicine.** They do not manufacture druggists, as do the various "Cottolins," "Tonics," "Pills" and "Bitters" of the day. Golden Medical Discovery is nutritious, tonic, alterative, or blood cleansing, and an unequalled cough remedy. Pleasant Purgative Pellets, scarcely larger than muscard seeds, constitute an agreeable and reliable physic; Favorite Prescription--a remedy for debilitated females; while his Dr. Sage's Catarrh Remedy is known the world over as the greatest specific for Catarrh and "Cold in Head," ever given to the public.

SEE WHAT DEALERS SAY!
 JESUP, Iowa, May 5th, 1873.
 Dr. R. V. PIERCE:
 Dear Sir--We take pleasure in saying that your Medicines have sold entirely beyond our expectations. We report lines at the best medicines extant, and bear them spoken of in the highest terms of praise.
 R. L. SMITH & CO.

EVERY ONE PLEASED WITH THEM.
 PLYMOUTH, Ind., April 30th, 1873.
 Dr. PIERCE:
 Dear Sir--I take pleasure in recommending and selling your Medicines because every one is so well pleased with them.
 GEO. W. JUCK.

CONSUMPTION,
 the scourge of the human family, may in its early stages be promptly arrested and permanently cured.
 RAVENSWOOD, W. Va., Oct. 28th, 1872.
 Dr. R. V. PIERCE:
 Sir--For the last year I have been using your Golden Medical Discovery. I lost my life in it, but have been benefited for years. Did not use it but a short time before being afflicted for all the time I was very bad, but able to do much. I was suffering greatly with a throat, was getting blind, had a dry cough, and much pain in my lungs. I have used twelve bottles of the Discovery and am almost well.
 R. A. T. WARDNER.

THEY ARE GUARANTEED.
 KNOXVILLE, Ind., April 28th, 1873.
 Dr. PIERCE:
 Dear Sir--We sell large quantities of your valuable Remedies. They give universal satisfaction. We often guarantee them to give satisfaction. Yours truly,

History Room News: "Anderson on the Move" Exhibit and Stone Frog

Come visit the History Room this winter. We have a new special exhibit of several dozen photographs from the AHS collections that illustrate "Anderson on the Move: Horses, Trains, Trucks and Cars." The permanent wall displays, of course, have many illustrations that depict Anderson families and their vehicles. This winter display includes more of these striking images showing how life has changed over the last century. The History Room is open: Sunday and Wednesday afternoons, 1 to 4 p.m., and Tuesday evenings, 6 to 8:45 p.m. at Anderson Center, 7850 Five Mile Road, Lower Level.

Also new is the addition of a cast of the Turpin Stone Frog Pipe. The plaster cast is a gift from the Cincinnati Museum Center to the History Room. The stone pipe was discovered by the Turpins in the mound that was once between the original Philip Turpin brick house and Route 32. In the early 1900s plaster casts were made from the stone original. The original stayed in the Turpin family and we have a newspaper clipping from the 1925

Cincinnati Times Star with Mrs. Laura Turpin (1847-1931) holding the stone frog. By the 1940s the location of the original was not known to those in the scientific community and some people thought it was lost. In recent years the original was found and is now at the Museum Center. It is an oversized

American Bullfrog, carefully crafted with a cavity for the tobacco and a hole for a pipe stem at the rear. It is thought it was used in community observances.

Cast of the Turpin Stone Frog Pipe is now on display at the History Room. The original dates to the middle Fort Ancient period, ca. A.D. 1200-1400. Photo by J. Heywood.

Photo from 1908 taken on Beechmont near today's intersection with Wolfangel. Notice the tracks of the Interurban Railway and Terminal Company line that ran along Beechmont from 1902 - 1918. The IRT provided passenger and light freight service into the city that was much needed in the days before the wide-spread availability of automobiles and trucks.

Come learn more about the fascinating history of Anderson Township through photos, hands-on exhibits and artifacts. AHS provides the docents for the History Room and we can always use additional docents. If being a docent is of interest to you, please contact Bill Dreyer (474-0568).

Thanks for Your Service

Many thanks to **Dan Lovelace** and **Martie Christman** for their service as Trustees over the last three years.

Bill Dreyer, Jan Hawkins, Ann King, Diane Schneider, Sue Wettstein and **Connie Whitaker** for contributing to this issue.

Linda and George Scheper for printing envelopes for the *Surveyor*.

Connie Whitaker, Programs Chair, for arranging such a variety of interesting speakers to educate and entertain us at the monthly Member Meetings.

The **staff of Anderson Center**, who are so helpful to us in setting up and holding our monthly meetings throughout the year, including the August picnic and this past September's Member Collections display.

Those members who served as docents for the History Room during November through January: **William Dreyer, Janet Heywood, Linda Jacobs, Tom Lovejoy, Lucy Moore, Don and Sharon Perry, Bev and Al Robinson, Diane Schneider, Charles Wallace** and **Connie Whitaker**.

ATHS depends on volunteers. Thanks to everyone for your support and if we have missed anyone, please accept our apologies.

Welcome New Members

Please welcome new members who have joined recently:
